ARMIJO SPIRIT, INDIAN PRIDE

Sports page 12

Student life page 60

So many people make our school the place it is. Several groups of people show their spirit in different ways.

First there's the students who let it all hang out. These people aren't just the ones who go to rallies, they are the ones who make the rallies fun. They dress in wild and crazy outfits during Spirit Week and always attend the games, even the away ones.

Then there is the group of students who usually goes to the rallies and sometimes attend the games. They attend class regularly, belong to one or two clubs and enjoy attending Armijo. If you ask them they'll say Armijo is #1.

Then there are the quiet ones who show their spirit and pride in our school by the way they act. They don't cut, or litter, or vandalize the campus. They enjoy getting together with their friends on the lawn or in the library. They are just as proud of being Indians as the rest of the school.

Weekends hold a special magic for most people and students were no exception. Football games and dances were better attended than they have been in the past few years. A significant growth in school spirit and pride led to a increase in attendance of school events. But no one needed any help in finding something to do. Weekends were spent going to movies, attending dances, cruising, hanging out at Leatherby's, and just getting together with friends to listen to some music.

1. Dawn Roberts, Tracy Thicke, and Noelle Burton can't wait for the weekend to begin.
2. One of the most popular weekend attractions at the Solano Mall is Gumby who waves to passersby.
3. A traditional weekend prank is toilet papering. Here Kim Goodwin's house falls victim to Pat Young, David Torkelsen, Brad Eilert, Tulip Spencer, Michelle Mattos, Chris Pinto, Reed Onate, Tom Bors, and Walter Smith.

Weekends specialize in fun.

1. Many students take advantage of the California sun to enjoy a weekend of tennis.
2. Kim Cornist excites the Friday night crowds by running for a touchdown.
3. Highspirits prevail during a winning football season.
4. Homecoming led off one of the big weekends of the year. Record crowds were elated by an exciting win against Pinole; and seniors were thrilled with a first in the float competition.

HAPPINESS IS . . .

Happiness is working hard, being part of a team, and knowing that you are performing well. Happiness is being part of the pep squad.

Happiness is having a groups of friends to horse around with, and posing for the camera.

Happiness is is creating something with your own two hands. Working with friends to make a poster.

Happiness is owning your first set of wheels whether it is a motorcycle or a car.

Happiness is competing and winning. Happiness is being homecoming queen.

Happiness is that one special friend. The one who shares all your secrets, who never lets you down.

Indian pride flies high,

eflecting the "Changing Times".

1. Seniors capture top prize with a float that looks at changing music styles.
2. Juniors took third place with their farout New Adventure float.
3. Sophomores rally around their float in a show of class pride.
4. The varsity gathers for last minute instructions before tackling Pinole.
5. Freshmen score a coup, taking second in the float competition.

Spirit rode high in the hallways during football homecoming week. Many people participated in Nerd Day, Toga Day, 50's Day, and Hawaiian Day. There was a feeling of fun and anticipation.

Record crowds turned out at the game to enjoy the floats and cheer the Indians on to victory. People dressed in purple and gold, painted up as Indians, and waved purple and gold pom pons.

The parade between games was the best in five years, reflecting a growing pride in our school. The floats showed a lot of work and imagination. The Indians were definitely #1.

SOCCER KICKS OFF IN 85

Sergio Hernandez sparks the Soccer team in 85, winning most valuable player, and All League, with his outstanding offensive playing. Huck Flener also must valuable for his defensive performance. Most Improved player was Greg Soria, and most inspirational was John Silva. With surprise player Bruce Briggs quickly developing as goal keeper. The team was the strongest in years says Coach Jim Evans. An Outstanding defensive team, but sometimes unable to score in critical matches. Many good returning players looks good for next year.

1986 Armijo Varsity Baseball

The 1986 edition of the Armijo Baseball wll be a strong team, despite having limited experience. The Indians return only 7 players, 4 starters from a 6-6 league record and a 12-10 overall record. The core of the team, however, still remains, with pitcher "Huck" Flenner, 2nd baseman Mike Fortney, First baseman Drew Logan, and outfielder Tony Mesa. Other returning varsity players are outfielders Ed Edmonson, Kim Cornist, pitcher/ outfielder Dan Miller. New additions that should help this ball club are outfielder/1st baseman Paul Clay and outfielder, Matt Parker. Infielders, Chris Wink, Nick Bernardie, Mike Papadopoulos, Steve Garcia and Jon Stover. Catchers, Scott Brandt and Van Sanchez, and the pitcher, Ray Evanill.

Although this years ballclub returns 4 starters, this team has a clear and optimistic outlook for the coming 1986 season. Defense will be our strong point with our 1 and 2 pitchers matched against anyone. The infield is very solid with starters, Drew Logan, Mike Fortney, Jon Stover, and Chris Wink. The outfield is also very strong and quick. Returners Ed Edmonson and Kim Cornist should provide solid help for Tony Mesa. This years club has a lot of depth and solid hitting throughout the lineup.

The 1986 Indians are a young, but a very solid team and should contend for the M.E.L. Title.

1. Mike Fortney throws it home.
2. Walt Bradnick gives it his all.
3. Jeff Peters soars for the catch.
4. Walter Bradnick and Sherman Keley work on their plays.
5. John Stover stoops for the ball.
6. Ed Guanill and Willie Fuller show some foot work.
7. Huck Flenner practices his pitch.
8. Drew Logan practices with his arm.
9. Toby Thurman hits it to the outfielders.

Student Life

Mexican-American Youth Organization (MAYO CLUB)

The purpose of the Mexican-American Youth Organization club is to promote cultural awareness and unity among Latin & Hispanic students. Membership is extended to any student interested in participating and experiencing the richness of the Hispanic cultural Heritage. MAYO, through last years' active participation in various fund raising activities raised enough funds for the restoration of the Murals that emphasize the Hispanics' belief in harmony and religion and explains their past. It has been the club's goal to go on a fieldtrip at least once a year. Last June, we went to Santa Curz. This year, students have been discussing a trip to Disney Land or possibly one to a university campus. We plan on having monthly activities to reach our goal. Our enthusiasm and pride for Armijo High School continues to flourish. Que Viva La Raza!

KEY CLUB

Key club is a service organization. This year the Key club has become much more active. We have worked with our sponsoring Kiwanis club on projects for the Salvation Army, had a successful pizza sale, and we have also held many other fundraisers. The officers this year are:

Keri Brown,	President	Advisor:
David Janis,	Vice-President	Mrs. Gregg
Patricia Bock,	Secretary	Mrs. Gordon
Michelle Chew,	Treasurer

Welcome To The New Arrow!

ABOUT THE *ARROW* STAFF

Despite its' small class size, the *Armijo Arrow* continued to publish the school newspaper during the 85-86 school year. Always striving for excellence, the *Arrow* staff upgraded the paper to include 16 instead of 8 pages this year.

Shannon Brown and Rhonda Ellington incorporated their love for sport onto the pages of the *Arrow* as the Sports editors. Carlos Aloy added his talent for music in the form of concert and album reviews. Other staff members contributing were Mindi Block, Denise Anderson, and Andrew Arias, who took care of *Arrow* business. After Scott Rooson added his touch of insight to the paper, Gary Weldon, Kelly McKay and the rest of the staff went through the process of "lay-out". Our Noble advisor, Mr. Geiger, kept the staff on the task.

All in all, it was a prosperous year for the *Arrow*. The staff hopes next year more students will sign up for Newspaper to keep the *Arrow* alive. After all, the paper is for the students and made by the students!

Starting from the left page: The 1985-86 *Arrow* staff.

Most of the articles are done on computer.

Although there is alot of work, there's also alot of laughs!

Doing "lay-outs" is a big part of the work-the yearbook staff understands this!

Alot of lectures, lessons and research goes on before each issue is prepared.

WELCOME TO THE NEW *ARROW!*

BY: MINDI BLOCK

The newspaper staff at Armijo High is working to create an exciting paper. We have completed projects to find out how to produce a paper that student readers will enjoy.

The *Arrow* staff recently administered a survey to an equal number of freshmen, sophomores, juniors and seniors. We asked them what they most wanted to see in the paper. The topics that come out on top were entertainment, school trends, sports, student opinions, and school news. These subjects will appear prominently in the paper.

The *Arrow* now has two suggestion boxes, one in the Attendance Office and another in the Annex Office. They are open to everyone in the school for suggestions, comments, criticisms, and stories. In this way, we hope to involve the whole school in the production of the newspaper.

Our goal is for students to enjoy the *Arrow* and for the paper to help make our days at Armijo more stimulating.

American Field Services International

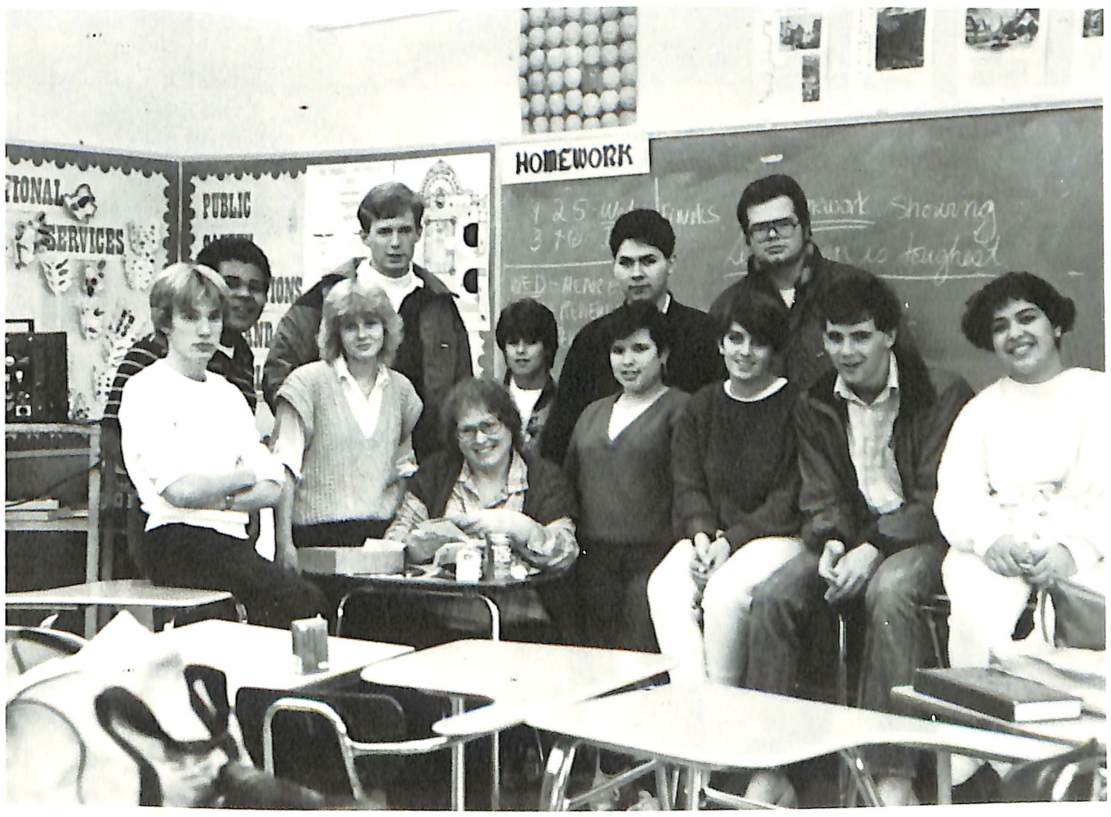

Six years ago, Antonella Bisacchi from Italy, became the focus of a student organization at Armijo that has grown by leaps and bounds. Approximately 225 club members participate in a variety of activities - dances, pizza feeds, fundraisers - which culimates in an invitational AFS Olympic Weekend. The student club members invite over thirty exchange students and everyone joins in on a trip to San Francisco, a progressive international dinner, several dances, olympic games and a toga party. All these activities are meant to help the exchange students at Armijo meet people, experience an American high school and build fond memories.

5. Oversized rugbys and swatches have become popular with both sexes.

Indians keep fit.

Many students took time out from their academic classes to enjoy a class or two in physical education. Tennis was popular with both sexes. As was soccer. Flag football is always popular. Archery gave students a chance to see how good their aim was. Other sports offered were: basketball, badminton, softball, volleyball, and swimming.

Many students liked having a break from sitting in classes all day. The physical activity was a welcome relief from the classroom. P.E. classes are required for freshmen and sophomores, but juniors and seniors also enjoy a chance to keep fit.

English teachers dedicated to improving skills.

The English Department was proud to announce a winner in the National Council of Teachers of English Writing Contest-Michelle Chew. Only 800 students throughout the nation were selected for this award.

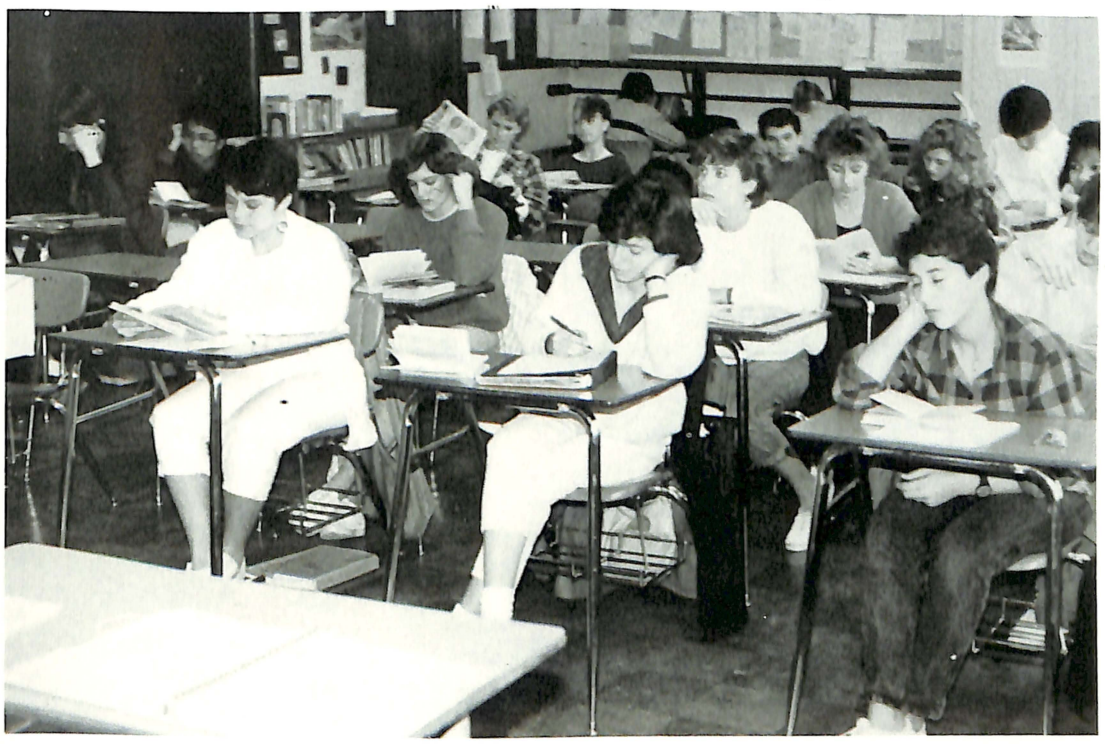

Three new teachers were added to the department this year: Karen Street, Kathleen Curry, and Geoff Geiger. Welcome aboard!

English teachers worked together to improve CAP scores, share ideas, and develop curriculum. Being the largest department at Armijo, English teachers were dedicated to improve students' reading and writing skills.

7. Typing classes are always busy.

There are four major areas taught in the business department: general office, clerk skills, clerk typist, stenographer, and marketing/distribution skills. Business classes were mostly taken by students looking for job skills which can be used immediately after graduation. The successful completion of the skills training programs prepared students for employment in business offices, retail stores, and law offices. Despite its current excellence the business department is always looking for ways to update its program.

Art: Work or Pleasure?

Is this class taken for just an easy "A", dedication to a talent, or just relaxation from the day's studious classes? It takes a lot of hard work to create something to be proud of. Students work hard for an impressive result, yet most say it isn't difficult to receive an "A". Some say that art class is a welcome change from the long, studious classes that they have all day. They all agree that art is an easy class, but takes work an the result is definitely a pleasure.

Math is an essential subject.

At Armijo we try to make math fun while making it a valuable learning experience. From pre-algebra to trigonometry the students are learning valuable skills that they can take with them to college, jobs or anywhere they decide to go.

When you think of which math classes you should take in the future don't think of homework and tests, think of all you can learn and discover and how math can open doors in your future.

You can't go anywhere today without spending money, even school! School funds don't always provide the money for the extra-curricular and co-curricular activities. Starving artists can't be too hungry because of the cost of art supplies. Future professionals in sports like basketball, football, tennis, and even to go Rah-Rah costs money. To pay for these activities can cost a measly $40.00 and go as high as $300.00.

So the parents should have checks, cash, or plastic cash on hand when supporting kids to some day be the Joe Namath or Mary Lou Retton of their dreams.

WELL ROUNDED VOCATIONAL PROGRAM OFFERS MANY USEFUL CLASSES

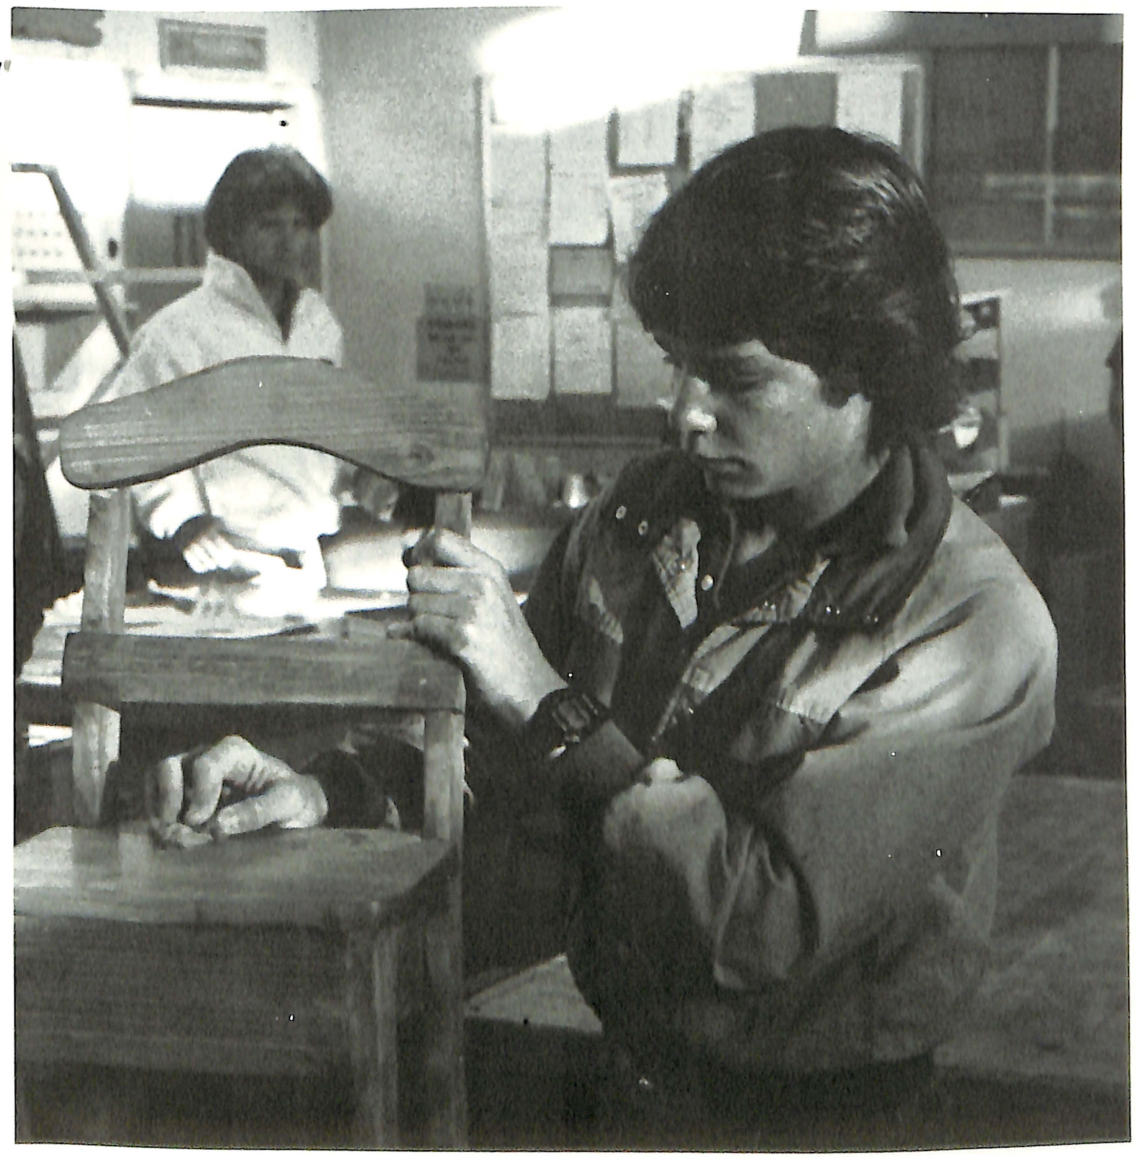

Vocational Education is needed to help non college bound students to explore a wide choice of occupations that could be used as saleable skills needed in the world of work. Students should take an interest in the industrial arts. They can sellect either a elective or a major. Vocational Education classes will be continued to be offered and should be required of all students in the future.

ASIAN-AMERICAN

This has been the second year of the Asian-American Club, formed by our advisor, Ms. Lum. It has served mainly as a social club, a chance for people of different asian cultures to get to know one another and learn more about their backgrounds. The club has consisted of members of many nationalities, including students of Chinese, Japanese, Filipino, Vietnamese, and Thai. The club this year has held fundraisers such as, the egg-roll sale, candy sale, and even co-sponsored a major dance at Armijo with Fil-Am. The club plans to take a trip this year to the Monterey Aquarium.

Students take a foreign language for a variety of reasons. It's a requirement for college, their parents make them. or it's a job requirement later on in life. Some students take a foreign language because they think it's fun and interesting. Learning a second language is useful if you plan to travel.

Aerospace Science in it's 13th year

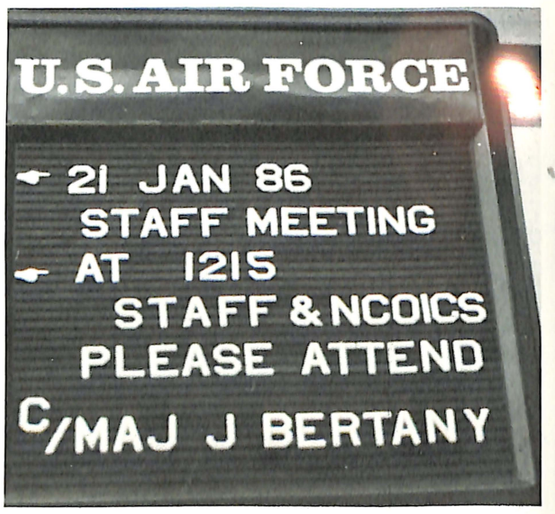

In existence for twelve years, the Air Force Junior Reserved Officer's training corps program is one of the largest in northern California. ROTC acquaints students with the history of flight, develops informed students, strengthens character and promotes an understanding of our complex society. Students in the program have repeatedly proven their scholastic ability. In the last ten years, eleven cadets of the program have received appointments to the service academies. In addition over thirty ROTC scholarships have been awarded to the cadets. In the 1985-1986 school year two cadets competed for a Rotc scholarship and an academy appointment which both received.

The ROTC class schedules many activities for competition, recreation, and enlightment of its cadets. Activities include model club, rocket club, softball, volleyball, bowling, basketball, color guard, drill/ team, and sabre team.

The Armijo ROTC program excels in several of these activities due to their leadership abilities. The program conducts activities in support of our school and community.

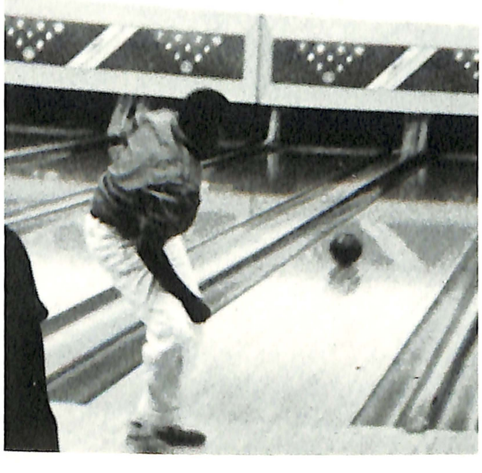

A moonlit night, was one moonlit night filled with light for cadets of the Ca-71st. squadron and their honored guests.

The cadets and their dates formed a Reception line by rank to meet faculty members, Retired and active duty military personnel and their spouses. From their you were to sit at your candlelit tables and wait for the Color guard to present the colors in honor of the flag.

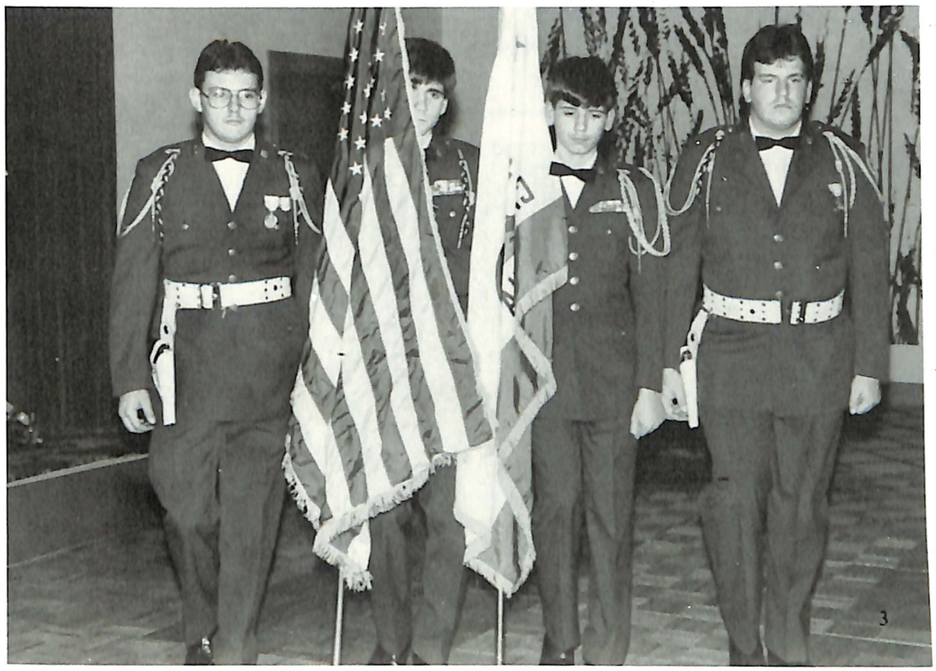

Following Color guard a steak dinner was served.

After dinner the squadron saber team demonstrated their abilities and waited for the coronation of the queen.

The queen and two runners up were chosen from a number of female candidates enrolled in the Aerospace class. The queen and the two runners up were then escorted under the arch of Sabers.

SOCIAL SCIENCES

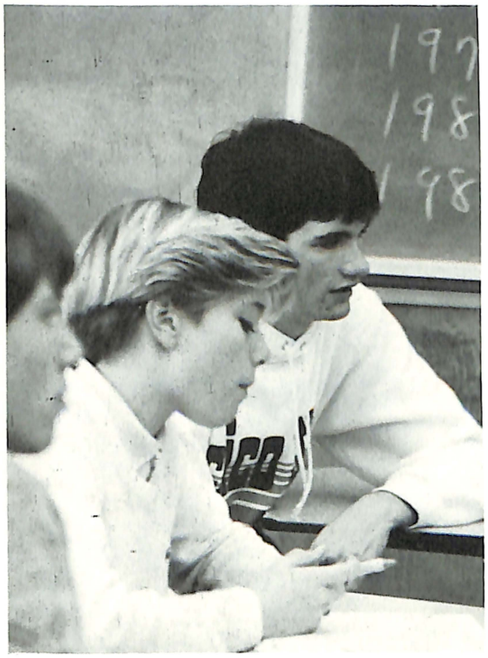

SOCIAL SCIENCES

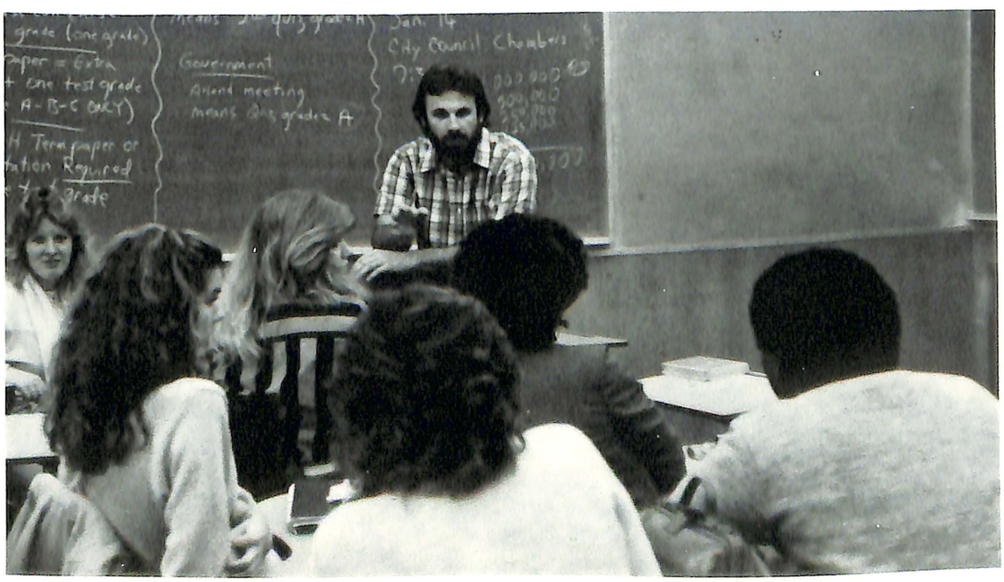

There is a wide array of Social Science classes offered at Armijo. Included are; economics, government, careers, history, and psychology, a new class which was introduced last fall. Psychology seems to be very popular to many students.

Seniors at Armijo are required to take and pass one semester each of U.S. Government and Consumer Economics to graduate from high school. These courses are very important to all seniors past, present, and future.

Future Farmers meet the future with hard work and pride.

The FFA is a national organization for students interested in learning leadership skills, practical training in agriculture, cooperation, public speaking, to buy and sell cooperatively, and to solve their own problems.

The Armijo FFA was established 34 years ago. Today, the chapter numbers 43 members and is one of the most active chapters in Solano County. Although Livestock Production is popular among the members many involve themselves in horticulture, agriculture mechanics, wild life management, and agriculture work experience. Some students have worked for the State Dept. of Health, florist shops, pet shops, feed stores, landscaping firms, retail sales, local ranchers, or have started their own businesses.

Many fun activities are included in the calender of events: such as picnics, swim parties, trips, etc. Family participation is encouraged and aids in the success of the activities.

Home Economics teaches survival

Home Economics, some people automatically associate it with staying home to cook and take care of children. In todays world women and men don't want to tied down to kids and cooking. Even so, home economics plays a very important role in anyone's life whether you want to work or not. Home economics teaches us about survival in the market place and how to get the most of our dollar and alot more.

Armijo offers a wide selection of home ec. courses to choose from; cooking classes, parenting, home furnishing, decorative arts, sewing and alot more. Ms. Tutunjion and Mrs. Lee help to make fun and educational.

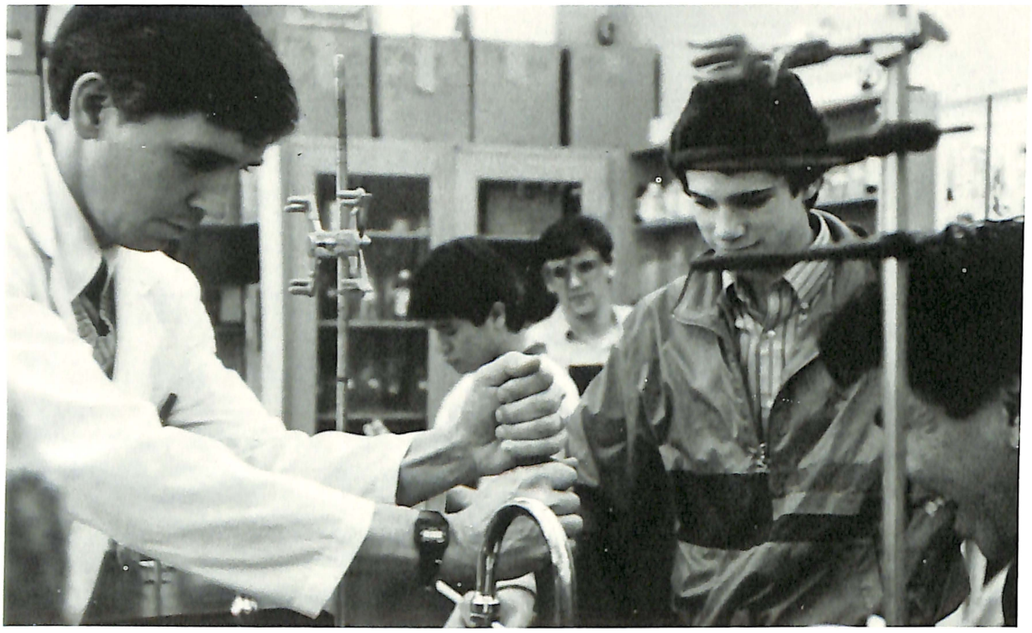

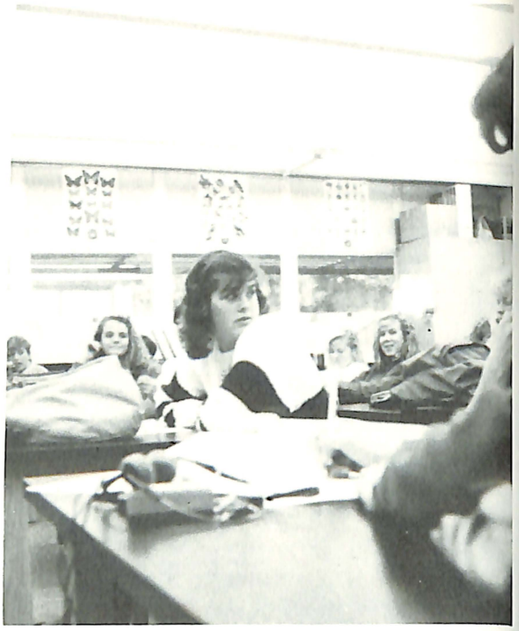

From top clockwise;
"Look out Julia Child, we're taking over the kitchen!"

"I mean it, I really didn't think we'd have homework in here!"

"And the trophy for the best macaroni and cheese dish goes to table "C", congratulations!"

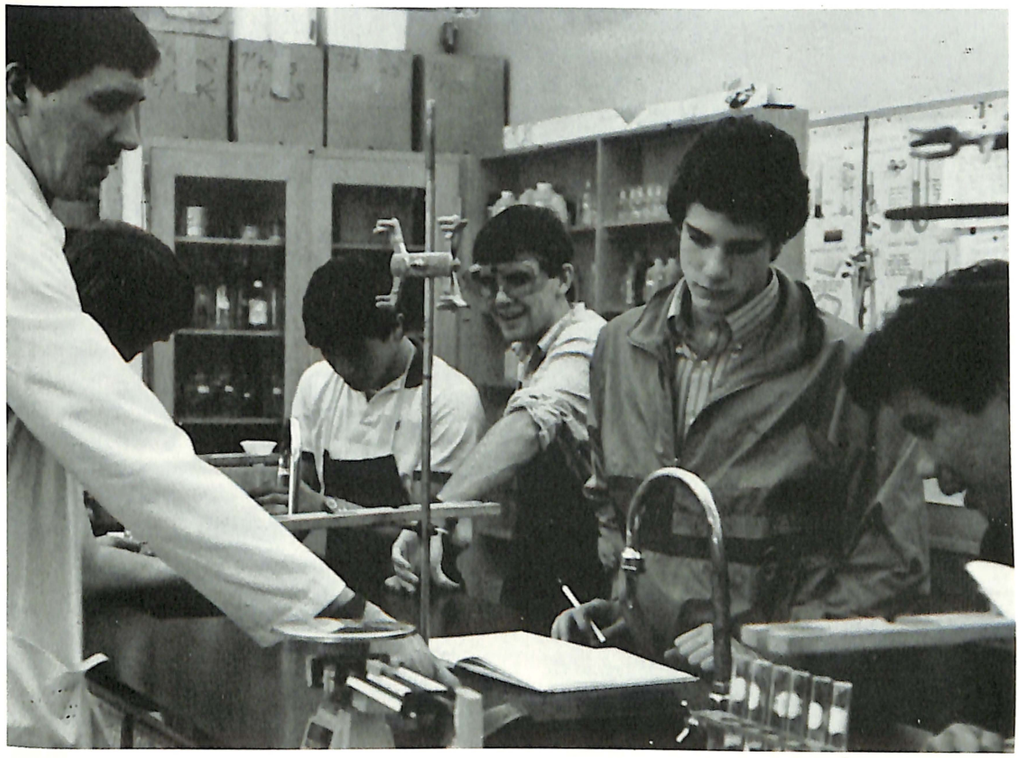

Science: It's elementary!

The various science classes give students a chance to explore the world around them. The laboratory periods provide a hands on learning experience.

Biology in the freshman year explores ecology, biological systems, diseases, and pollution concerns. The human body and the effects of drugs is also explored.

Physical science and physics explore the world of mechanical energy, gravity, inertia, and laws governing our universe.

Chemistry introduces the world of the molecule and chemical reactions.

Future Business Leaders of America.

Top row: Mrs. Begandy, David Rios, Tracy Kelly, Tina Carbonel, Karen McCollum

2nd row: Kathy Boyce, Carla Hatcher, Mr. Krueger, Kim Meehan, Christine Morrow, Ms. Beasley.

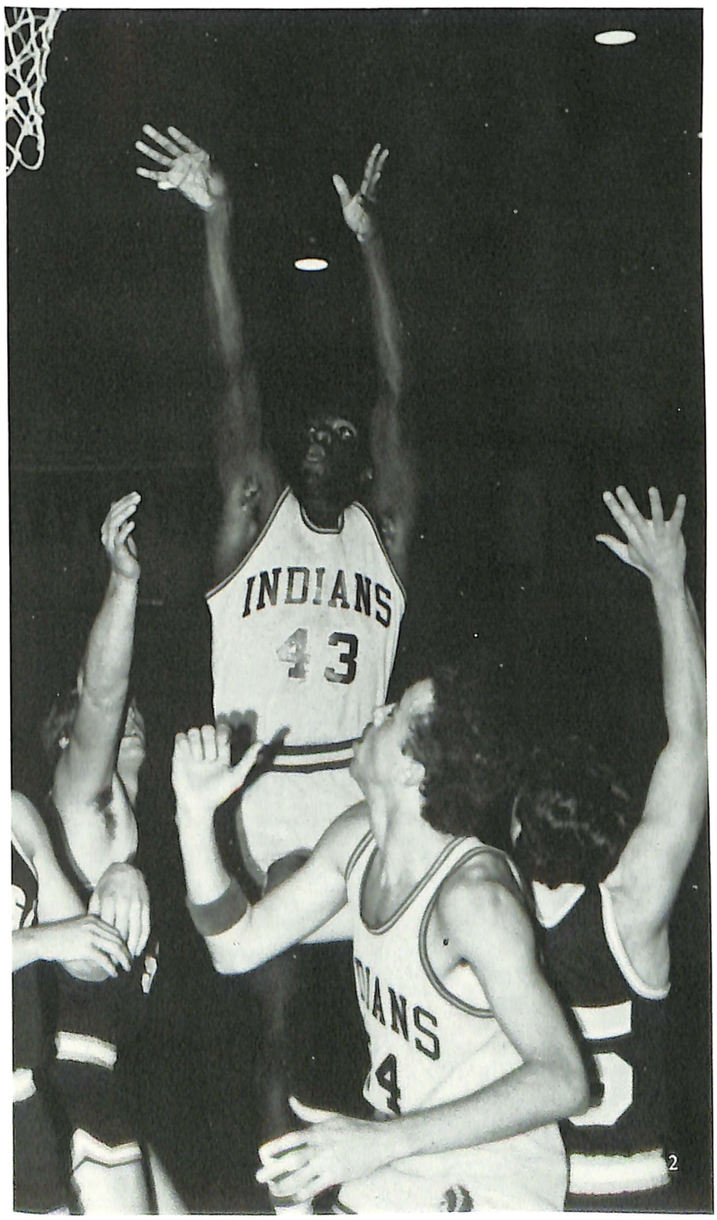

Future Business Leaders of America is a club that prepares the students for occupations in the business world. Business courses offered will help the FBLA members to understand the different careers in the business world and help them choose theirs.

Homecoming is for sweethearts.

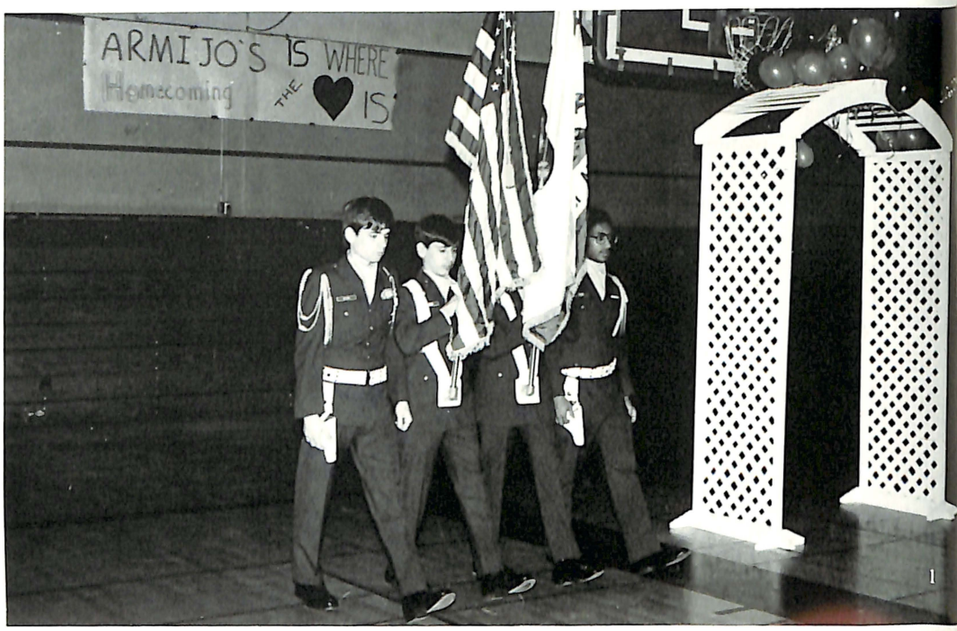

The 1986 Basketball Homecoming was a success in several ways, One was our varsity team's victory over Vintage, Another was that the theme was Armijo's "Homecoming is Where the Heart Is", was special and well put together by Mr. Baily and the A.S.B. members. And of course all the Homecoming candidates were successes in their own way. This years king and queen Judy Perry and Mike Papodopulos

1. -Armijo's R.O.T.C. Saber Team: Paul Cruz, Kenneth Cooper, William Young, Mike Corby, Donald Lowrie, and Jeffery Bertany.
2. Armijo's Anthony Gradison goes up for a shot while Paul Clay watches.
3. Judy Perry poses with Senior Attendant Scott Pike.

NATIONAL MERIT SCHOLARSHIP SEMIFINALIST

Gary Lee and Don Lowrie had qualified as Semifinalists in the 1986 National Merit Scholarship Program. Out of some 15,000 students nationwide Gary and Don had been named Semifinalists for Armijo High School last fall and were given an opportunity to continue in the competition for Merit Scholarships. Congratulations Gary and Don.

COMMENDED STUDENTS

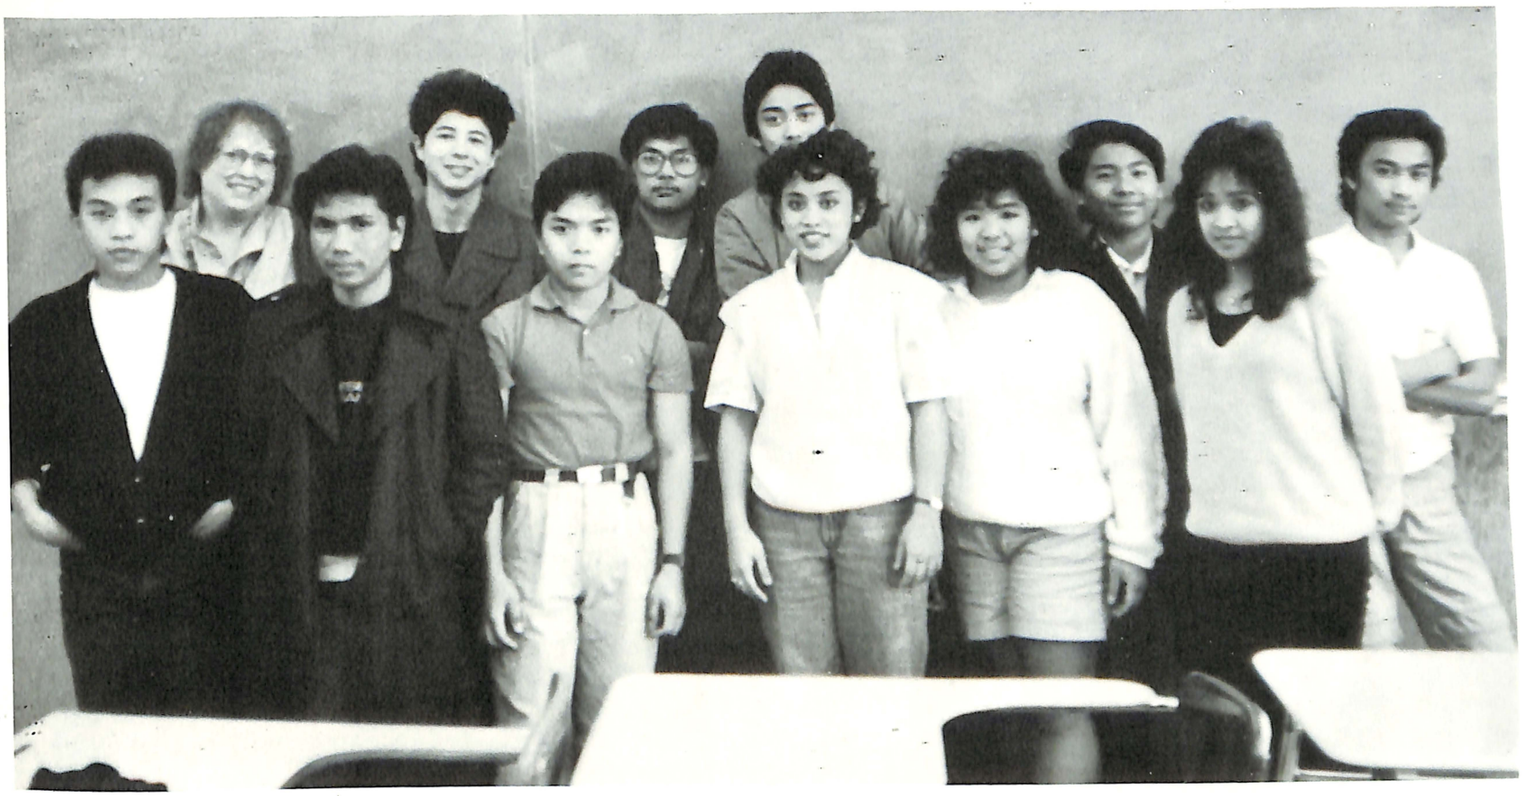

Ronald Saylor (pictured here), Joseph Ona, and Daniel Harvath Had been notified by the National Merit Scholarship Corporation as being designated Commended Students in the 1986 National Merit Program. These Students receive a letter of commendation in honor of their outstanding academic promise.

ARMIJO SENIOR IS A WINNER IN NATIONAL WRITING CONTEST

Michelle Chew was selected as one of 800 winners nationwide in the Junior Achievement Awards in Writing Program sponsored by the National Council of Teachers of English. The Contest requires each student to submit a sample of his or her writing as well as an answer to the extemporaneous essay topic.

Fil-Am Club

The Filipino-American Teen Club was one of the most active organization at Armijo High School this 1985-1986 school year. They held their ever famous "lumpia sales" and were able to make even more than they needed to fulfill their goals this past year. This was the first year they held a car wash and it was very successful and at the same time enjoyable for the club members to get to know each other better.

The club also gave a scholarship to a graduating senior, an Armijo student with Filipino ancestry. The club hopes to expand and study new horizons, preferably more on the cultural side.

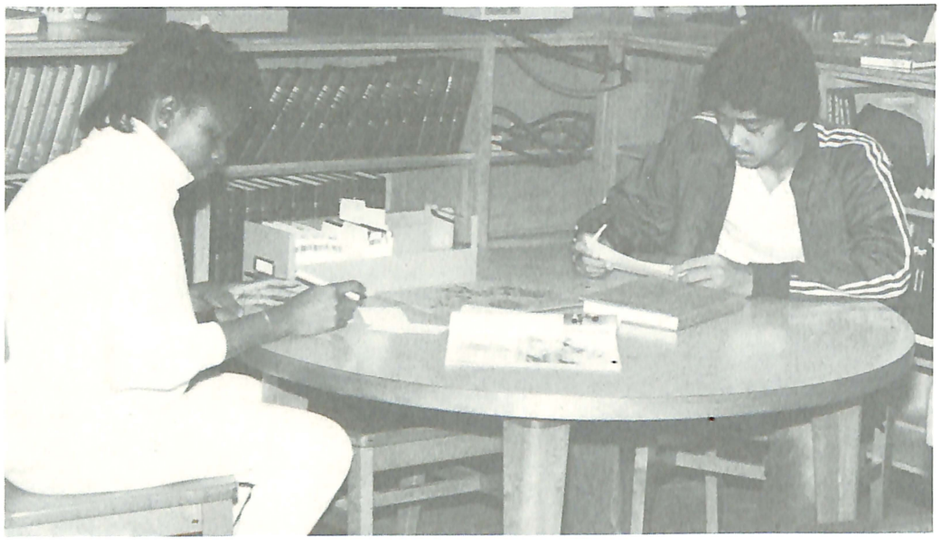

Thanks to Ms. Fout, advisor, for the motivation and ideas she contributed to the club. This year has honestly made a significant difference for the Filipino-American Teen Club of Armijo High School.

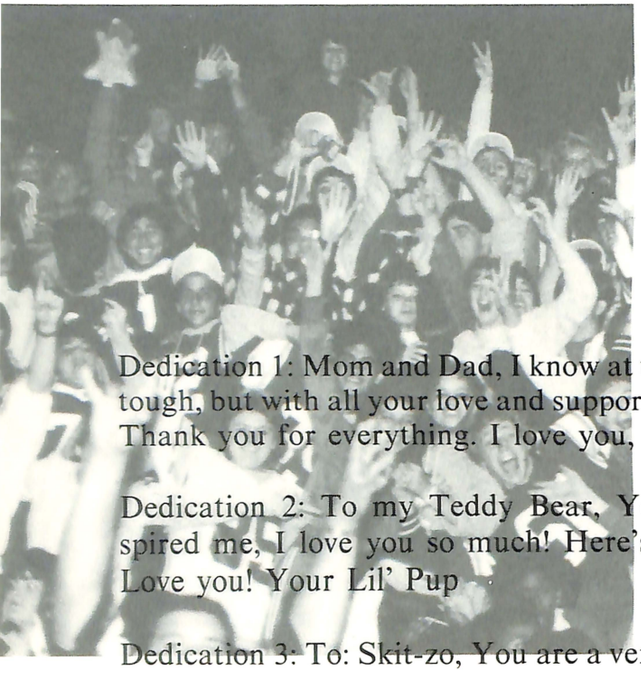

Club Officers are Lisa Asercion-President, Jeff Bertany-Vice President, Michelle Ona-Secretary, Denah Lapurg-Treasurer, and Romie Aromin and Eric Lapurga-Historian.

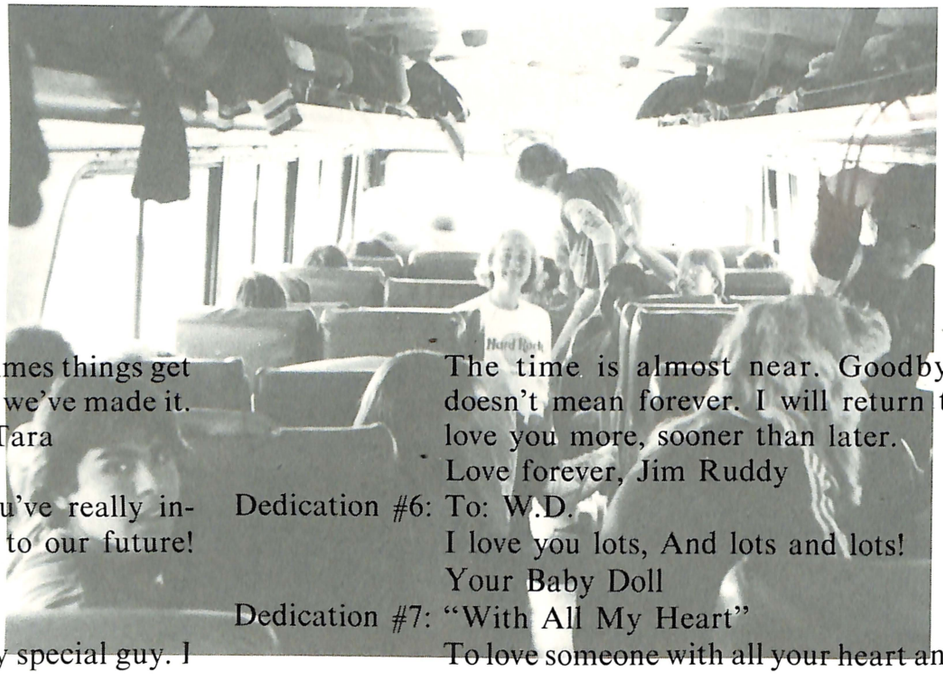

1.) Lisa Asercion-President, Jeff Bertany-Vice President.

2.) Members: (row 1) Gene Mellomida, Zhad Alian, Dennis Pasion, Lisa Asercion- (president), Adelle Tobias, Dinah Lapurga-(treasure) (back row) Ms. Fout-(advisor), Aaron Garger, omie Aromin-(historian), Edwin Vitug, Benji Tobias, and Eric Lapurga-(historian)

Dedication times . . . come on!

Dedication 1: Mom and Dad, I know at times things get tough, but with all your love and support we've made it. Thank you for everything. I love you, Tara

Dedication 2: To my Teddy Bear, You've really inspired me, I love you so much! Here's to our future! Love you! Your Lil' Pup

Dedication 3: To: Skit-zo, You are a very special guy. I hope we last forever

From LuLu

Dedication 4: To: Susan Hurts

Never forget what you've given me! Luv ya!

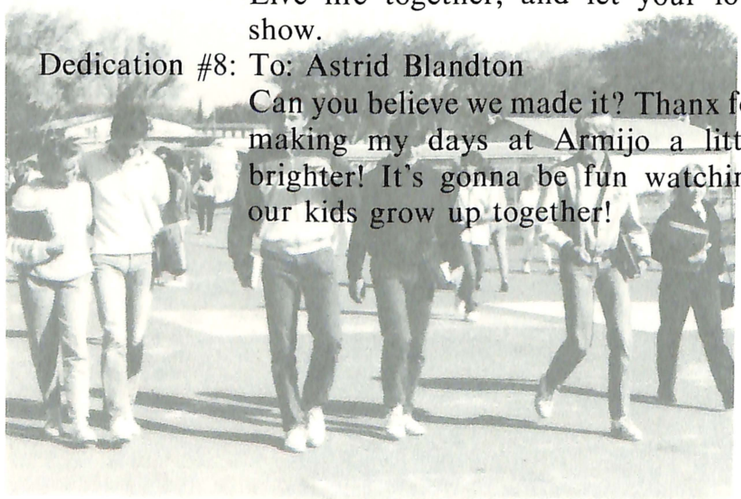

Forever yours, David

Dedication #5: To: Cindy Rowe

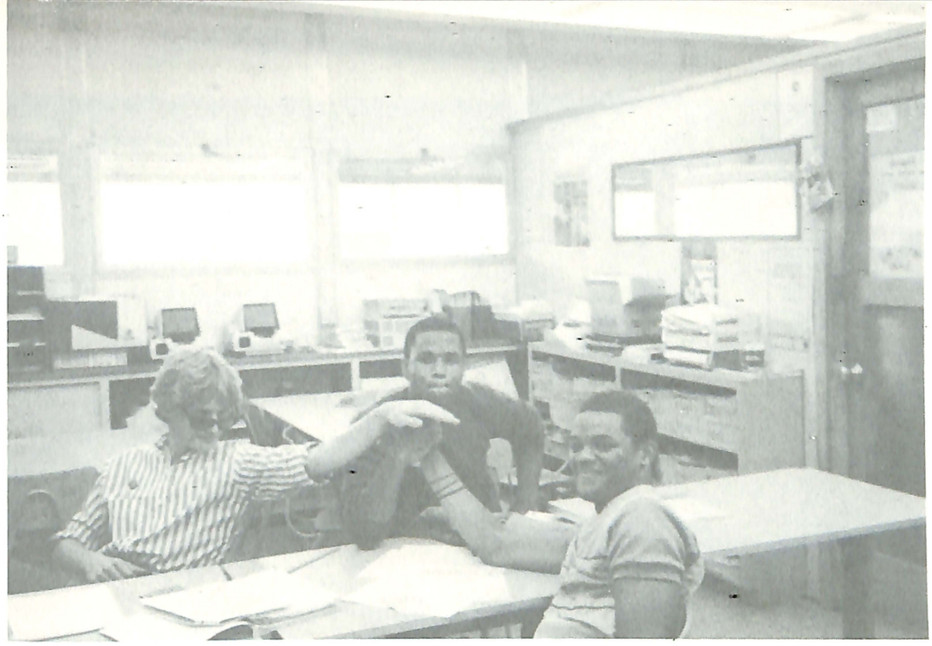

The time is almost near. Goodbye doesn't mean forever. I will return to love you more, sooner than later.
Love forever, Jim Ruddy

Dedication #6: To: W.D.
I love you lots, And lots and lots!
Your Baby Doll

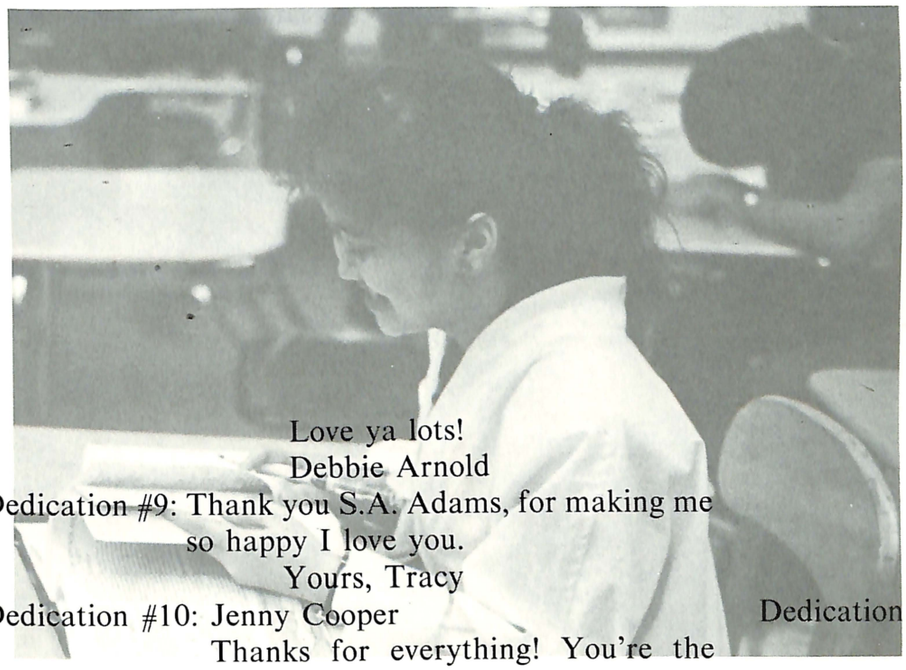

Dedication #7: "With All My Heart"
To love someone with all your heart and soul . . . is by far the greatest thing that we shall ever know.
Love them forever, don't let them go . . .
Live life together, and let your love show.

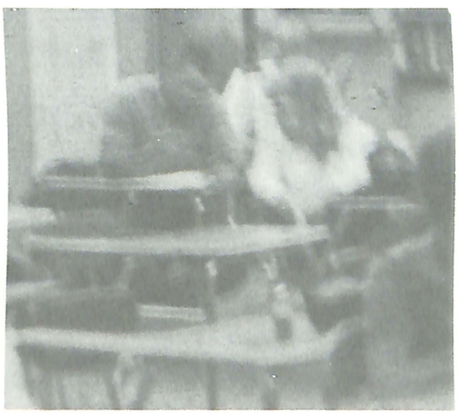

Dedication #8: To: Astrid Blandton
Can you believe we made it? Thanx for making my days at Armijo a little brighter! It's gonna be fun watching our kids grow up together!

Love ya lots!
Debbie Arnold

Dedication #9: Thank you S.A. Adams, for making me so happy I love you.
Yours, Tracy

Dedication #10: Jenny Cooper
Thanks for everything! You're the greatest best friend and I love ya dearly. Best of luck in life and remember, "That's what friends are for."
Love & Best Friends
Julie

Dedication #11: To: Louise Bradley
Thanks for being a great friend. You always put a smile on my face and made me happy. You're a special person, Weezie
Love & Friendship,
Julie

Dedication #12: To. The Armijo Superband
Thanks for all the great memories. You're all very special to me. Best of luck in the future
Love & Smiles
Julie Helms

Dedication #13: To all the supercool freshmen I met this year: Weirdy, Kitty-O, Paula, Kim, Joyce, Jessie, Diane, Ann, Melissa, Jenny, Danny, Mike, Shawn, Janelle, Samantha . . .
You'll always have a special place in my heart forever.
Love always,
Mischelle

Dedication #14: To the "GANG" for making my four years at Armijo the best ever!
86 reigns!
Love forever,
Mischelle

Class of 1986

The Senior class would like to dedicate this section of the yearbook to the memory of Shirley Chu.

TO THE MEMORY OF SHIRLEY CHU

We, the class of 86 would like to remember a good friend and fellow classmate, Shirley Chu. Shirley was an inspiration to all of us and to some, the meaning of true friendship. She loved her friends and Armijo High School dearly.

She got involved as much as possible. Shirley was our sophomore class president, a JV and Varsity cheerleader, a candidate for Homecoming and last but not least, an honor student.

Even though Shirley is unable to be with us physically as we graduate, she'll be with us spiritually, especially she'll be there in our hearts. We love you Shirl, and we'll never forget you. Thanks for the wonderful memories.

Love,

The Seniors of

Students give a helping hand.

The Math Network is the brainchild of Ms. Lum, head of the math department. Now two years old it can be considered a resounding success. Students who are having trouble with their math classes can come to the Math Network and receive peer tutoring. Honor students in math volunteer time before school, at lunch, and after school. These students work one on one, helping their fellow students over the rough spots in math.

1985-86 DISTRICT GOALS

During the 1985-86 school year the Governing Board agrees to:

Provide motivation for excellence and improved student performance by:

- integrating the instruction of reading, writing and mathematical skills into all curricular areas
- broadening the range of educational opportunities including academic, special education and vocational education programs in order to meet the needs of individual students
- integrating the humanities, career education, cultural awareness, computer education, environmental awareness and higher-level thinking skills into all curricular areas
- monitoring, evaluating and revising the district curriculum

Provide motivation for staff excellence by:

- supporting teachers in the delivery of a high quality instructional program in all areas of the Board-adopted curriculum
- providing a comprehensive staff development program addressing the needs of teachers, support staff and administrators
- supporting principals in their dual role as instructional leaders and school site managers
- improving staff morale as evidenced by positive supervision, feedback and recognition; improved student attendance, behavior, courtesy and discipline; effective internal and external communications; and satisfaction with equipment, facilities and supplies
- reviewing the evaluation process for all staff members

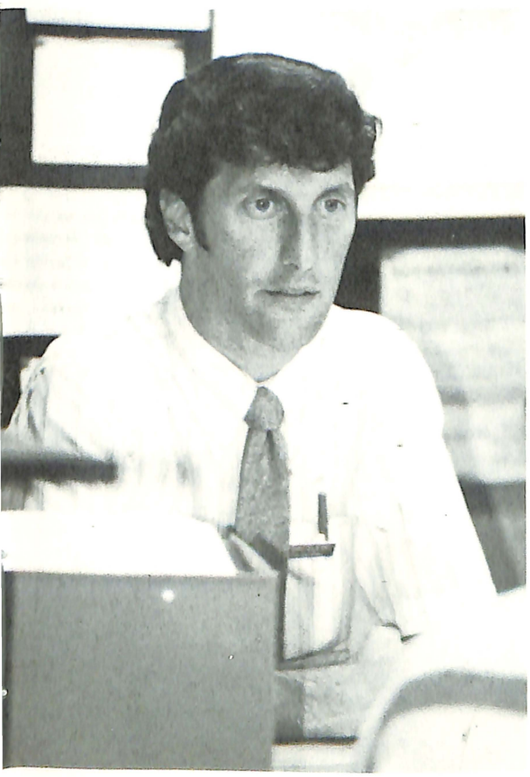

Provide an atmosphere of excellence in the Fairfield-Suisun Unified School District by:

- supporting the development of responsible innovative programs and practices
- promoting cooperation between the district and other agencies (federal, state and local) in such areas as school/community relations and the acquisition/management of facilities and resources.

YEAR IN REVIEW

The space program moved ahead. Space walker James van Hoften stands tall on the end of the robot arm of the Space Shuttle Discovery after successfully launching the repaired Syncom satellite in September.

Blue-collar troubadour Bruce Springsteen was the undisputed Boss of rock n'roll. His songs about Vietnam veterans, steelworkers and factory workers hit many responsive chords with all ages of Americans.

President Reagan, with his wife Nancy, gives the A-Okay sign from his hospital window in July after undergoing surgery to remove a cancerous tumor for his lower intestine. The 74-year old president was back on the job within weeks after the operation.

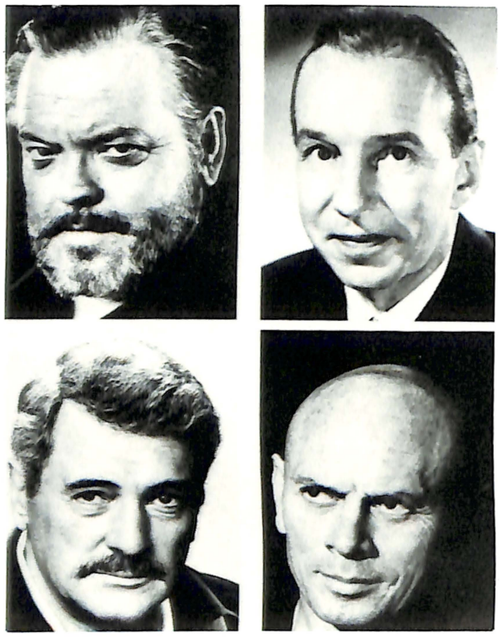

Ceremonies were held at various times during the year at the Vietnam Memorial in Washington to commemorate the tenth anniversary of the fall of the Saigon government in Vietnam. The Vietnam Memorial is inscribed with the names of more than 58,000 dead or missing soldiers from the Vietnam war.
Cincinatti Reds player-manager Peter Rose broke Ty Cobb's career hit record in September. The historic No. 4,192 hit was a single to left field on a 2-1 pitch from San Diego Padres right hander Eric Show with one out in the bottom of the first inning.
A series of devastating earthquakes rumbled through Mexico City in September and the death toll was in the thousands. Few in the metropolitan area of 18 million escaped the effects of the first quake, which registered 8.1 on the Richter scale; or the second quake, which measured 7.5.

GENEVA, NOV. 19—FIRESIDE CHAT—President Reagan and Soviet leader Mikhail Gorbachev talk in front of a fire place at the Fleur D'Eau Tuesday in Geneva. ——1985

Four prominent actors died in late 1985: Orson Welles, (T-L) 70, of a heart attack; Lloyd Nolan, (T-R) 83, after a battle with lung cancer; Rock Hudson, (B-L) 59, after a battle with AIDS;' Yul Brynner, (B-R) 65, of cancer.

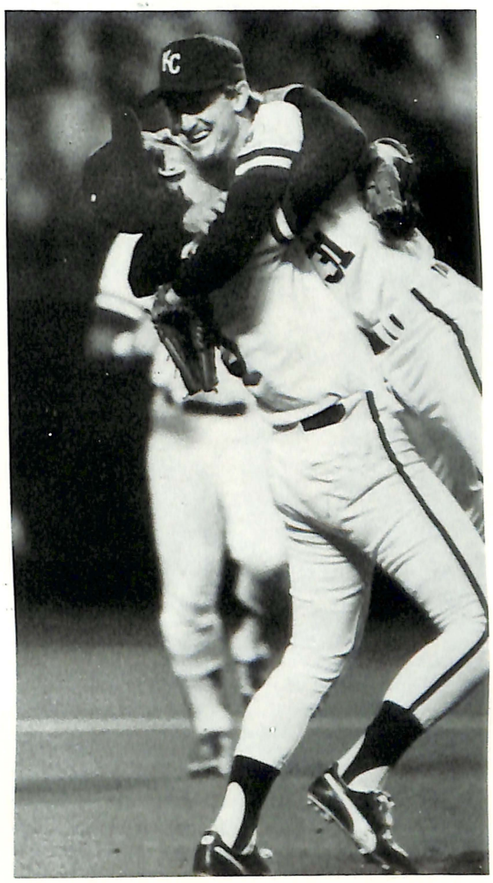

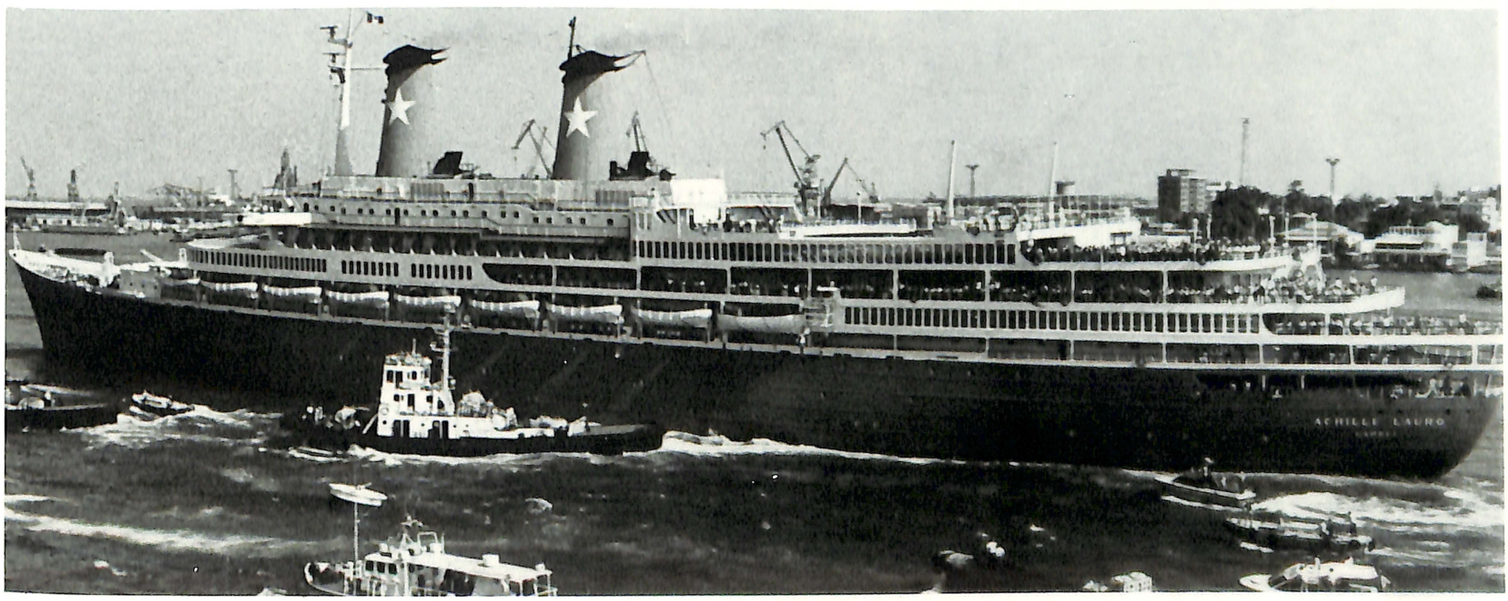

ARMERO, COLUMBIA, Nov. 15—DIGGING OUT—A resident of Armero in the Columbian mountains is helped by the Columbian Red Cross during digging out efforts, Friday. Many people are still trapped in mud and are being rescued with the help of hundreds of volunteers. ——1985.

A Delta Airlines jetline crashed near Dallas in August, killing 137 people. The plane was on a flight from Fort Lauderdale, Florida to Los Angeles with an intermediate stop at Dallas-Fort Worth. Thirty-four people survived the crash but five died of injuries later. The plane encountered a severe wind shear as it plunged to the ground.

A Trans World Airlines jet with 145 passengers and eight crew members was hijacked in Athens, Greece, in June. The Sheite hijackers took the plane to Beirut, then to Algeria and then back to Beirut. Most of the hostages were released within days but the remaining 39 hostages were held for 17 days. One American hostage was killed.

The Kansas City Royals won the World Series. Royals pitcher Bret Saberhagen embraces third baseman George Brett after pitching a five-hitter to give the Royals the World Series crown over the St. Louis Cardinals. Saberhagen, the winner of two series games, was named as the Most Valuable Player in the series.

Four Palestinian terrorists hijacked the Italian cruise liner Achille Lauro while on a Mediterranean cruise. One American was killed. After the ship was released the Egyptian government agreed to return the hijackers to the PLO. However, the hijackers were intercepted by American jets as they were flown out of Egypt and returned to Italy to stand trial.

Farewell to 1986

"Armijo Spirit, Indian Pride" has been our theme this year. It means Pride in our school and Spirit in the knowledge that whether our team won in victory or lost in agony that we did our best and have hope for tomorrow. Spirit and Pride in ourselves and in each other. Each of us has givin in his own unique way to the fulfillment of this.

The class of 1986 would like to acknowledge the following classmen for their leadership during the past four years.

1982-1983

PRESIDENT	Alan Bock
VICE PRESIDENT	Tina Carbonel
SECRETARY	Tricia Del Dotto

1983-1984

PRESIDENT	Shirley Chu
VICE PRESIDENT	Tina Carbonel
SECRETARY	Michele McCracken

1984-1985

PRESIDENT	J.B. Ramirez
VICE PRESIDENT	Matt Henderson
SECRETARY	Brad Bradshaw

1985-1986

PRESIDENT	Tina Carbonel
VICE PRESIDENT	Brandi Meissner
SECRETARY	Jodi Hemler

As we say farewell to 1986 we close the doors to our high school years and open many more to our future. Helping us to open these doors were many people. With your patience, understanding and guidance may we begin to see the many choices each of us has for our future. The choices will be difficult, but knowing you are behind us in whatever we decide to do will make it all worthwhile.

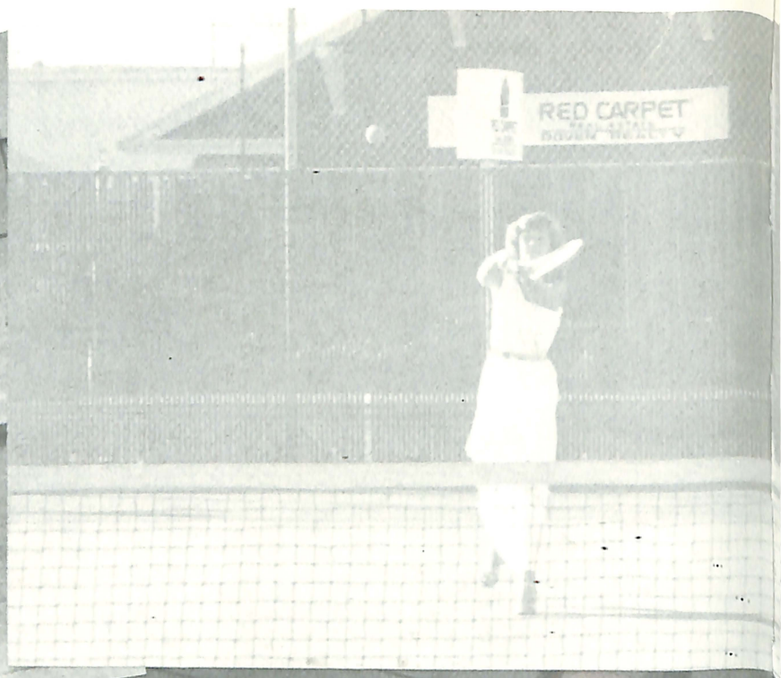

The class of 1986 would like to gratefully thank the following people for their wisdom and love.
